Robert Jefferson Walker Jr.

This 1901 picture of my father's, father's, father was our inspiration behind the name of *My Fathers Moustache*. Holding his trademark Derby hat, and sporting an abundant moustache, my great grandfather was both handsome and dapper. Robert Jefferson Walker Jr. was born in Macon, Noxubee County, Mississippi, in 1870 and died in 1923 after a long bout with Tuberculosis. He was the first son of The Reverend Robert Jefferson Walker Sr, and Alice Walker of Charleston SC. The Reverend Walker and his wife are buried at *Magnolia Cemetery*, here in Charleston. The Walker family descends from English, Scottish and Irish heritage, and our past culture hopefully is reminiscent in our pub. Today my family represents the fifth generation of Walkers to call Charleston SC their home. On behalf of my family, we truly hope you enjoy your visit, and I look forward to sharing an ale and conversation with you. - Robert Jefferson Walker V
